

# Dogs Needed for Giselle

BALLET  
SAN JOSE  
DENNIS NAHAT ARTISTIC DIRECTOR

Ballet San Jose is looking for two well-behaved Borzoi (Russian Wolfhounds) to be part of our season opener, *Giselle*. The dogs will be walked onstage by a performer, walk in a circle, then stand on stage during a scene. They need to be able to be walked by the performer, comfortable around large groups of people and music, and possible applause from the audience.

The dogs will be needed for all performances and three rehearsals, and the owner will be compensated with complimentary tickets to *Giselle*. The owner must provide transportation for their dogs to and from the theater.
